

Carl: Do you want to **make a bet**?

Lewis: What kind of bet?

Carl: I bet that I will get a higher score than you on our math test tomorrow.

Lewis: You sound **pretty confident**.

Carl: I am. I studied **instead of** watching TV **all week**.

Lewis: What do I get if I **win the bet**?

Carl: I'll let you feed my **iguana**!

Lewis: What happens if I **lose**?

Carl: You have to clean my iguana's **cage**!
