

TRIVIA TIME - Beginner Level

Quiz #6

Instructions: Put the students into teams, and issue them an answer sheet. Read each question, giving them a short amount of time to discuss and write an answer. Depending on your students' level, you may need to give extra hints or explanations about some of the questions. After reading all of the questions, go over the answers and have the students add up their scores. *Feel free to give a prize to the winning team!*
