

## 9.3 Superlative Adjectives

With most short adjectives (1 or 2 syllables), you add “-est.”

crazy → **craziest** | old → **oldest** | big → **biggest**

With most longer adjectives (3+ syllables), you add the word “most.”

exciting → **most exciting** | intelligent → **most intelligent**  
colorful → **most colorful**

\*If an adjective ends in “consonant-y,” you have to **change the y to i**, then add **-est**. (*funniest, easiest*)

\*If an adjective ends in “vowel-consonant,” you have to **double the consonant**, then add **-est**. (*biggest, thinnest*)

Write the **superlative** form of the adjectives below.
